Exciting news from Kelly Ranieli of Volunteers in Medicine

Volunteers in Medicine are getting prepared to open the dental clinic the week of the January 17th. They are planning on scheduling patients for Wednesday and Friday. The equipment is being installed from Benco Dental. I was wondering and hoping a few members of your society would be interested in assisting us in setting up the exam rooms. Basically putting the supplies in the drawers, etc. We will also need assistance/volunteers when we begin seeing patients. Please contact Volunteers in Medicine at 570-970-2864 or visit their web site at www.vimwb.org for more information. ☺
